

Bylaw Change

Overview

To make it easier for members to remember when their membership is due and make the administration easier for the club, the board proposes September being the renewal month for everyone.

Bylaws Now

A new member will be a member of the Club from the date of application and payment of dues until the last day of the following twelfth month. Thereafter, an Active Member in Good Standing will be renewed for additional twelve (12) months upon payment of the annual membership dues. Notice will be given to each renewing member at least thirty (30) days prior to date of renewal.
